

Product catalogue

Edition October 2026

Bulk vegetable oils and essential oils for professionals: INCI names, CAS and EINECS numbers and available grades for each raw material. Prices on request according to volumes.

- Every organic oil can also be supplied in conventional grade.
- Packaging up to IBC: from 5 L jerrycans for vegetable oils and from 1 L bottles for essential oils, quoted in liters or kilograms.
- Identifiers may vary by grade and producer: the documentation supplied with each offer (COA, TDS, SDS) is binding.
